Subject: Defective Laptop and Refund Issue with Electronics Store

Respected Sir/Madam,

I am writing to bring to your notice a grave concern regarding a defective laptop I purchased from an electronics store located in Chennai. The laptop, which was bought on [date of purchase], has been malfunctioning since its purchase, despite being brand new. The issues with the laptop include [specify the issues, e.g., screen not working, battery not charging, etc.]. I have tried to contact the store multiple times, but they have refused to acknowledge the defect or provide a refund.

I had visited the store on [date] and reported the issue to the sales team, who assured me that they would look into the matter and provide a suitable solution. However, despite numerous follow-ups, the store has failed to take any concrete actions to resolve the issue. The store's refusal to refund or replace the defective laptop is a clear violation of my rights as a consumer. As a consumer, I am entitled to expect a certain level of quality and performance from the products I purchase, and it is the responsibility of the seller to ensure that the products they sell meet these expectations.

I have all the necessary documents, including the purchase receipt and warranty card, to support my claim. I have also sent an email to the store on [date] detailing the issue and requesting a refund, but they have not responded. I am extremely disappointed with the service provided by the store and am seeking your intervention in this matter. I request that you take immediate action to address my complaint and ensure that the store takes responsibility for selling a defective product.

I am confident that your office will take necessary steps to resolve this issue and protect my rights as a consumer. I can be contacted at 09361314071 or praveenraju192006@gmail.com for any further information or clarification. I have attached a copy of the purchase receipt and email correspondence with the store for your reference.

Relief Sought:

- Refund of the full amount paid for the laptop
- Compensation for the mental agony and distress caused by the store's refusal to refund
- Directions to the store to replace the defective laptop with a new one

Thanking you.

Yours faithfully,

Praveen Raju
